It is an absolute privilege to be in a leadership role, but an even greater privilege when we have the opportunity to coach others to success.

- Deliver quality one-on-one coaching sessions
- Leverage strengths to increase staff potential
- Develop mindsets that enable growth
- Coach yourself to progress your own leadership skills
- Use emotional intelligence to build rapport
- Take your communication skills to the next level
- Embrace and coach different behavioural styles
- Identify coaching roadblocks and solutions
- Understand how to coach teams
- Create a coaching culture

Great Leaders are also great coaches.

“ The program was excellent.

The resource booklet is something that I will revisit to ensure I get the most out of the program but as a starting point I will be using the GROW model and GROUP model with my team. Thanks for running such an engaging course - I think we got lucky with a great group of participants as well who shared insights from different perspectives.”

“ I thoroughly enjoyed the program and gained a lot of new insights and strategies from it. The presenters were highly engaging and authentic - the insights and learning came from the heart and from core beliefs. I found it of great benefit to be in a 'mixed' group; those from other organisations gave me new perspectives on common issues. Previous Proteus training I have been involved in was specifically for the sector workplace that I am involved in. ”
