# ***Creating A Whole NEW Mindset***

***With Richard Dore***

# Program Overview

*"When you enter a mindset, you enter a new world."*

- Carol Dweck

Creating A Whole New Mindset is about making a conscious commitment to work on having a growth mindset. It's having the ability to sit with discomfort while navigating change and adversity with proactive thinking and positive action.

Creating a growth mindset does require hard work, persistence, and getting your ego out of the way, but it's also about being open and curious.

This keynote will help you to consciously feed your mind the right stuff and continually work on re-framing your worldview to set yourselves and your teams up for success now and into the future.
