MOVING FROM **MATE** TO **MANAGER**

The Power of Understanding Workplace Relationships

Program Overview

Today like never before, organisations need supervisors and team leaders who are highly effective and produce results through people. Technical skills and experience on the job were often sufficient in the past, but having the insights and skills to move from 'Mate to Manager' is essential in today's workplaces.

Many of the mistakes that supervisors make are simply because they have not been shown a better way at the beginning and therefore they can develop bad habits. So that is why we want to get the ideas and processes right from the start?

This program is both practical and dynamic. It has been designed to give you the best chance of success as you grow in your leadership role.

Topics

- ▶ Understanding Your Role
- ▶ Understanding Effective Teams
- ▶ Moving From Mate To Manager
- ▶ The Art Of Delegation
