Online Learning Program

Program Overview

This program has been designed to assist individuals and teams create and embrace a culture of selling. It also looks at how the sales process can be conducted in a highly 'functional' way and indeed be one of the most powerful and positive activities in our organisations.

Each participant will have a greater understanding of their own role as a salesperson, as well as the sales process and how they can personally adopt a more functional approach to selling.

Participants will produce an action plan of specific strategies and ideas to proactively create a culture of selling in their teams and workplaces.

Participants will become more confident in their responsibilities as a salesperson through gaining new knowledge, skills and strategies to assist them sell functionally and authentically.

Online Learning

This workshop is offered as an **online learning program**.

This **self-paced** option puts the individual in control of their own learning whilst still offering the same level of interaction, resources and content as our face to face or virtual workshops.

Online learning is perfect for people who work full time, lead busy lives or like to learn in a flexible way that allows them to choose when and where they want to complete training.
