Flexible learning at its best!

Self paced, any time, any place

Discover the ultimate in flexible learning with our self-paced online courses.
At Proteus we do things differently and we have designed our online courses to feel like you are in the venue with us learning face-to-face. It is truly an immersive experience.

Current Online Learning Programs

Moving from Busyness To Effectiveness

Find Your Focus And Create More With Less

This program will help busy leaders and teams to focus on their priorities and establish strategies to bring about sustainable behavioural change and transformational positive habits. This session will also equip participants with insights, tools and templates to move themselves and their teams from busyness to effectiveness.

Creating A Culture Of Selling

Everyone A Salesperson

This program has been designed to assist individuals and teams create and embrace a culture of selling. It also looks at how the sales process can be conducted in a highly 'functional' way and indeed be one of the most powerful and positive activities in our organisations.

The Service Factor

Getting Everyone On The Same Service Page

By the end of the program participants will have rediscovered the importance of both internal and external customer service. They will be able to develop strategies and techniques to provide positive, passionate and professional service to both their customers and across their organisation.
