Everyone A Sales Person

The art and science of selling is possibly one of the most misunderstood concepts in business today. We associate a sales person as someone who sells items like a vehicle, home, power tool or make up. However, did you know that whatever industry or job role you are in, you are most probably a sales person? Lawyers sell, teachers sell, nurses sell, team leaders sell, trades people sell... in fact it's rare NOT to be in sales.
